

# Pontoon Boats - Join the Trend

*The Fusion pontoon boat offers space, comfort, stability, a great concept for lakes, inland waterways and sheltered harbours.*

*The infused modular system means the pontoon deckboat can be built up to 9.1m (30') with a range of deck layouts.*

*With some innovative ideas this pontoon boat is in a league of its own. The hinged hard top allows windage free towing. Side access - great for wheelchairs. Fold down bow stairs, keeps your feet dry when stepping ashore. This model includes luxuries such as a toilet, sink, 2 burner stove, BBQ and fridge.*
